MEMORANDUM FOR THE RECORD

SUBJECT: Book Dispatch No. 6127 (proposed)

25X1A9a

[REDACTED] phoned me on 4 August to say that in their review of the Book Dispatch, they find that certain language changes from the original may cloud some of the points which Security wanted to emphasize. Security is therefore making a review in somewhat greater depth and will, this week, submit a redraft of the Book Dispatch as they prefer to have it go out.
